UNCONDITIONAL GUARANTY

The undersigned, _____ ("Guarantor") irrevocably, absolutely, and unconditionally guarantees to Wireless Accessories Unlimited, Ltd., a Texas limited partnership ("Lender") the prompt, complete and full payment when due, and no matter how the same shall become due, of all of the following described indebtedness of _____ ("Debtor") to the Lender, all of such indebtedness hereinafter called the "Indebtedness":

- (i) any and all other indebtedness or liabilities which Debtor may at any time owe to Lender, whether incurred before, after or concurrently herewith, voluntarily or involuntarily, whether owed alone or with others, whether fixed, contingent, absolute, inchoate, liquidated or unliquidated, whether such indebtedness or liability arises by notes, discounts, overdrafts, open account indebtedness or in any other manner whatsoever, and including interest and collection costs as may be provided by law or in any instrument or agreement evidencing any such indebtedness or liability; and
- (ii) all costs and expenses incurred by Lender in connection with the collection and administration of the liabilities and obligations owed by Debtor to Lender, including attorney's fees.

Without limiting the generality of the foregoing, Guarantor's liability hereunder shall extend to, and include, all post-petition interest, expenses, and other duties and liabilities of Debtor described above in this paragraph which would be owed by Debtor but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization, or similar proceeding involving Debtor. If the Debtor shall fail for any reason to pay the Indebtedness, as and when such Indebtedness shall become due and payable, whether at its stated payment date, or otherwise, the Guarantor will, upon demand by Lender, pay such Indebtedness in full to Lender.

No action or inaction of Lender, Debtor, or any other person, no change of law or circumstances, and no course of dealing of Lender with Debtor or any other person shall release or diminish the obligations, liabilities, or duties of the Guarantor under this Guaranty, affect this Guaranty in any way, or afford Guarantor any recourse against Lender. The Guarantor waives notice of nonpayment, notice of acceptance of this guaranty, presentment, demand, protest and notice of protest. No extension of time or other indulgence granted by the Lender to the Debtor or the Guarantor, or any of them, will release or affect the obligations of the Guarantor, and no omission or delay on the Lender's part in exercising any right hereunder or in taking any action to collect or enforce payment of any obligation guaranteed hereby will be a waiver of any right or release or affect the obligations of the Guarantor hereunder.

The Lender will have no duty to marshal security, to sue or otherwise attempt collection from the Debtor or any other party, to take proceedings against any collateral it may have or any other property or to take any action of any sort prior to demanding and enforcing payment hereunder by the Guarantor. Specifically, but without limiting the foregoing or any of them, the Guarantor waives any right to have the Debtor or any other person joined in a suit brought against the Guarantor on this Guaranty and also any right to require the Lender to sue the Debtor forthwith on an obligation guaranteed hereby as a prerequisite to any action by the Lender against the Guarantor or any of them. Any payment received by the Lender in connection with the Indebtedness, whether from the Debtor, the Guarantor, or any other source, shall be applied to the reduction of the Indebtedness in such order and in such manner as the Lender shall determine in Lender's sole discretion.

If all or any part of the Indebtedness is hereafter assigned by the Lender, this Guaranty will inure to the benefit of the Lender's assignee to the extent of the assignment. However, the assignment will not operate to relieve the Guarantor from any obligation to the Lender hereunder with respect to any unassigned indebtedness, obligation or liability guaranteed hereunder. The rights of any assignee will be subordinate to the rights of the Lender under this Guaranty as to any unassigned debt, obligation or liability.

No waiver, change, modification or discharge of this agreement or any obligation created hereby will be effective unless in writing signed by the Lender. In the event of the death of Guarantor, the obligation of the deceased Guarantor shall continue in full force and effect against his estate as to all Indebtedness which shall have been created or incurred by Debtor prior to Lender's receipt of notice, in writing, of such death.

The obligations, liabilities, agreements, and duties of Guarantor under this Guaranty shall not be released, diminished, impaired, reduced, or affected by: (1) the invalidity, deficiency, illegality, or unenforceability of any of the Indebtedness, in whole or in part; (ii) any bar by any statute of limitations or other law of recovery on any of the Indebtedness; or (iii) any defense or excuse for failure to perform on account of force majeure, act of God, casualty, impossibility, impracticability, or other defense or excuse whatsoever.

If any payment to Lender is held to constitute a preference or a voidable transfer under applicable state or federal laws, or if for any other reason Lender is required to refund such payment to the payor thereof or to pay the amount thereto to any other person, such payment to Lender shall not constitute a release of Guarantor from any liability hereunder, and Guarantor agrees to pay such amount to Lender on demand and agrees and acknowledges that this Guaranty shall continue to be effective or shall be reinstated, as the case may be, to the extent of any such payment or payments.

This is a continuing guaranty and shall apply to and cover the Indebtedness and all renewals and extensions thereof and substitutions therefor from time to time. Renewals and extensions of, and substitutions for, the Indebtedness may be made by the Lender upon such terms and conditions and with such modifications and changes as the Lender makes at any time and from time to time without further notice to or consent from the Guarantor.

The direct or indirect value of the consideration received and to be received by the Guarantor in connection herewith is reasonably worth at least as much as the liability and obligations of the Guarantor hereunder, and the incurrence of such liability and obligations in return for such consideration may reasonably be expected to benefit the Guarantor, directly or indirectly.

This Guaranty and the obligations hereunder shall be fully binding upon the Guarantor and his or her respective successors, heirs, and personal representatives.

This Guaranty is to be governed by the substantive laws of Texas, without regard to its conflict of laws provision.

Executed this _____ day of _____, 2005.
